## **New Record: Kirsten Engel Reports Enormous Record-Breaking Second Quarter, Outraising Opponent Again**

*Engel raised a record-breaking \$1.7 million in the Second Quarter of 2024*

TUCSON, AZ — Democratic Candidate for Arizona’s 6th Congressional District, Kirsten Engel, [announced](#) last week that she has raised \$1.7 million in Q2 of the election year, setting a new standard by surpassing all prior records of what Arizona Congressional Candidates have raised in this particular quarter. Today it was revealed that, not only did she break this record, she has outraised her opponent, Juan Ciscomani, for the second straight quarter. This impressive haul grows her war chest to over \$3 million, surpassing Ciscomani’s by \$200k.

“Voters in southern Arizona are learning the truth about Juan Ciscomani,” **said Alia Kapasi, Engel’s campaign manager.** “He has a long history of extremism, from his 14 years on the board of the Patriot Academy, to vetting the Supreme Court Justices that tried to bring back an 1864 criminal abortion ban in this state. This is not the representation voters in this district want or deserve. Our grassroots campaign is going to work hard to make sure their voice is heard this November.”

Engel faces Ciscomani in a rematch from 2022, where she lost by approximately 5,000 votes despite being outspent 6 to 1. She is committed to putting Arizona families over Washington special interests – that’s why she has rejected corporate PAC contributions to her campaign, and is proud to have received more than 31,000 individual donations this campaign cycle.

Washington to find common-sense solutions to the challenges we're facing here in Arizona's Sixth Congressional District.
