TUCSON, AZ — Today, **Democratic Candidate for Arizona's 6th Congressional District, Kirsten Engel**, released her campaign's **ninth ad** of the cycle, titled "Ton of Calls." The ad features Engel and her daughter, Helene, discussing Engel's strong record of fighting for arizonans, from fighting to improve education to lowering costs for working families, to protecting abortion rights.

"The contrast couldn't be clearer in this race," **said Engel**. "As a former state legislator, I have consistently worked to lower costs for and defend the freedoms of Arizonans. Meanwhile, as a former Patriot Academy board member and a current MAGA enabler in Congress, my opponent has prevented progress at the border and voted to roll back reproductive rights. It's time to elect a leader that will stand up for Arizonans in Washington."

“I know that my freedoms and my future are on the line in November and there’s no one that I trust more to defend them than my mom,” **said Helene**. “From protecting my health care decisions to ensuring that my generation and generations to come will have clean water, air, and soil, I know my mom is the right person for the job.”

The campaign has reserved over \$4 million in broadcast and digital communications between now and Election Day, and is running Spanish-language communications on broadcast, digital, and radio.

Engel faces Ciscomani in a rematch from 2022, where she lost by approximately 5,000 votes despite being outspent 6 to 1. She is committed to putting Arizona families over Washington special interests – that's why she has rejected corporate PAC money, and is proud to have received more than 78,000 individual donations this campaign cycle. Her average contribution is \$76. She has also secured key endorsements locally and nationally, including from Senator Mark Kelly, End Citizens United, Planned Parenthood, and AFSCME.

Kirsten Engel is a mom, an environmental attorney, and a former State Legislator who has fought for years to restore funding to public schools, protect Arizona's natural resources, and make our communities safer. She's ready to take that fight to Washington to find common-sense solutions to the challenges we're facing here in Arizona's Sixth Congressional District.
